

GPS HARDWARE MANUFACTURERS TOP 10 2022

This is to confirm that

Suntech

the manufacturer of hardware devices compatible with Wialon, got the 6th place in the GPS Hardware Manufacturers Top 10 ranking in 2022.

Our heartiest congratulations! Gurtam highly appreciates your hard work and the contribution to the global IoT market and the telematics community growth. All the best in the future!

wialon

Aliaksandr Kuushynau,
Head of Wialon
